

CAB

CONSUMER ADVISORY BOARD

What is CAB?

Purpose:

CAB is a group of consumers that have lived experience of mental illness and/or substance use issues that gathers every month to discuss ways to make Tri-County Mental Health a more friendly and a trauma free environment so that we can give consumers a better experience.

CAB meets monthly and provides feedback about Tri-County processes, procedures, issues with accessibility, environmental concerns, what outcomes the agency should be tracking, and privacy issues. CAB also provides input on documents and forms that are distributed to and utilized by consumers.

Who can join:

Anyone who has participated in services at TCMHS. We welcome all clients to attend and provide input to improve our services.

WE WANT YOU!
